Debtor.

Harpole Construction, Inc., Debtor and Debtor-in-Possession,

Plaintiff,

vs.

Adv. No. 16-01036-t

Roper, Inc.,

Defendant.

**NOTICE OF DEADLINE TO OBJECT TO DEBTOR'S MOTION TO SETTLE ALL
DISPUTES INCLUDING PROOF OF CLAIM OBJECTION (DOCKET NO. 210);
EMERGENCY MOTION TO SHOW CAUSE (DOCKET NO. 218); ADVERSARY CASE
16-01036; AND MOTION TO DESIGNATE CLAIM (DOCKET NO. 242) WITH ROPER,
INC. UNDER FEDERAL RULE OF BANKRUPTCY PROCEDURE 9019(a) and (b)**

PLEASE TAKE NOTICE that on July 1, 2016, Harpole Construction, Inc. ("Debtor"), by and through its attorneys, William F. Davis & Assoc., P.C. (William F. Davis, Esq.), filed its Motion to Settle All Disputes Including Proof of Claim Objection (Docket No. 210); Emergency Motion to Show Cause (Docket No. 218); Adversary Case 16-01036; and Motion to Designate Claim (Docket No. 242) With Roper, Inc. Under Federal Rule of Bankruptcy Procedure 9019(a) and (b) (the "Motion"). In the Motion, Debtor and Roper, Inc. ("Roper) seek Court authority to settle all of its claims against each other as set forth below (the "Settlement"):

1. Roper shall grant to the Debtor an enforceable judgment of \$55,000.00 to be paid in 3 payments. The first payment of \$18,333.34 is to be made on the date that is 30 days after the entry of an Order on this Settlement. The Second payment of \$18,333.33 shall be due within 60 days of the Order entered on this Settlement. The third and final payment of \$18,333.33 shall be due within 90 days of the Order entered on this Settlement. No interest shall accrue or be charged on the judgment of \$55,000.00. The Debtor shall not seek to enforce this judgment as long as payments are made as set out in this paragraph. If the payments are not made as set forth in this paragraph the Debtor may seek enforcement of the judgment.

2. The judgment outlined above shall be held by Debtor's attorney and will not be enforced unless there is a default.

3. Upon the entry of an Order approving this Settlement, Roper shall no longer be an interested party in this Bankruptcy Case and will no longer have the authority to vote on any plan of reorganization or to participate any further in this Bankruptcy Case.

4. Roper shall withdraw any pending objection to the Amended Plan and Disclosure Statement and shall not be permitted to file any objection to the Amended Plan and Disclosure Statement or any subsequent Plan or Disclosure Statement filed in this case.

5. Roper shall not be permitted to vote on the Amended Plan or any subsequent filed Plan in this case.

6. Roper's proof of claim and amended proof of claim are disallowed in their entirety. An order substantially similar to the one attached as Exhibit A to the Motion shall be entered upon an order approving this Settlement.

7. Roper shall not have a claim of any kind in this case.

8. Roper shall withdraw from the Committee of Unsecured Creditors and as an interested party in this case.

9. Upon entry of an Order on this Settlement the Debtor shall withdraw its Emergency Motion.

10. Upon entry of an Order on this Settlement the Debtor shall withdraw its Motion to Designate.

11. Upon completion of the 3 payments totaling \$55,000.00 by Roper, the Debtor shall file an order in Adversary Case 16-01036 dismissing the complaint with prejudice.

Debtor believes the settlement is fair, equitable, and in the best interest of the estate because Debtor believes the settlement is fair, equitable, and in the best interest of the estate for the following reasons. First, Roper may have valid defenses regarding calculation of some of the amounts owed. Second, upon information and belief, Roper has already spent all funds given to it by Western and the Debtor. It may be difficult for the Debtor to collect on any judgment for amounts more than what are detailed in this Settlement. Third, the complexity of the issues in dispute would require analysis of copious amounts of documents and records as well as multiple depositions to gain additional information. Both sides would likely need to hire professionals to analyze and testify regarding these issues. This process would require the Debtor and its representatives to be away from the business and delay or hinder its ability to perform as well as it can to generate income to fund a reorganization. This process would also result in extensive legal fees on both sides with no promise of recovery beyond the cost of the litigation. Forth, approval of the Settlement is in the best interest of the Estate and is consistent with Debtor's business judgment, because it resolves all pending litigation and claims disputes with Roper. Approval of the Settlement provides the Debtor with immediate cash reserves it can use to fund a reorganization. Settlement facilitates a quicker timeline to plan confirmation and payments to all creditors of the Estate.

IF YOU OBJECT to the Motion, you must file a written objection or response with the Clerk of the United States Bankruptcy Court, Dennis Chavez Federal Building and United States Courthouse, 500 Gold Avenue SW, Tenth Floor, PO Box 546, Albuquerque, NM 87103-0546, **within twenty-one (21) days of the date of mailing of this notice plus three (3) days for service of this Notice by mail, for a total of twenty-four (24) days (on or before July 25, 2016 at 5:00 p.m. MST)**. If you are an attorney, you must file your objection electronically. You must provide a copy of your objection to William F. Davis & Assoc., P.C., William F. Davis, Esq.

The Motion can be viewed for a per-page fee via the PACER (Public Access to Electronic Court Records) system. Log on to PACER at ecf.nmb.uscourts.gov. For registration and use instructions, see pacer.psc.uscourts.gov/index.html. You may also view this document from a computer at the Clerk's Office between 8:30 am and 4:30 pm, Monday through Friday, at no charge.

If objections are timely filed, a hearing to consider them will be held before the Honorable David T. Thuma, United States Bankruptcy Judge, in the Dennis Chavez Federal Building and United States Courthouse, 500 Gold Avenue SW, Albuquerque, New Mexico on short notice to the Debtors, the United States Trustee and any objecting parties. If no objections are timely filed, the Court may consider entry of an Order granting the Motion without further notice.

Note regarding appearing by telephone: If a hearing is held on the Objection, counsel/parties may appear via telephone by making arrangements with chambers at least one business day prior to the date of the preliminary hearing. The preferred method for requesting appearance by telephone is to send an e-mail message to thumastaff@nmcourt.fed.us to notify the Court of your request to appear by telephone. The e-mail message should include the name of the person who wishes to appear by telephone, the party whom that person represents, the matter to be heard, the date and time of the hearing, the name of the debtor and case number, and the telephone number at which the requesting party wishes to be called. If the party requesting telephonic appearance does not have access to e-mail, that party can make arrangements to appear by telephone at the hearing by calling the chambers of Judge Thuma at (505)-348-2430) at least one business day prior to the hearing date.

Respectfully submitted,
